The Fasting Family

All of us are called to keep striving towards something greater than ourselves and our families and every family must feel this constant impulse.

In this the Year of the Family, the focus of our Parish Lenten Campaign 2018 is 'The Fasting Family'.

So what does 'The Fasting Family' Lenten Focus 2018 involve?

Families are asked to fast each Friday during Lent and abstain from eating meat.

Children aged 14 years and over, and adults up to the age of 59 are asked to only eat two small snacks and one light meal each Friday during Lent.

Younger children and older family members can be involved by forgoing treats, sweets, biscuits each Friday.

Families are asked to abstain from meat each Friday during Lent.

If appropriate, adult family members can opt to do a 'harder' fast of bread and water or extending the number of days they fast during Lent.

Families are asked to place 'The Fasting Family' candle in the centre of the dining table on fast days as a visual reminder of their spiritual task.

Families are asked to pray the family prayer for the World Meeting of Families and to offer their sacrifice on that day for families who are starving and/or displaced and suffering all around the world as a result of war.

Families are encouraged to save any monies through fasting during Lent and bring it to the Chapel on Holy Thursday, this will be donated to the Peter McVerry Trust. ***This collection will be separate from the Trocaire box.***
