

**Thought for  
Catholic Schools  
Week:**

*'This is what we are about  
We plant seeds that one day will grow.  
We water seeds already planted,  
knowing that they hold future promise.  
We lay foundations that will need further development.  
We provide yeast that produces effects far beyond our capabilities.  
We are prophets of a future not our own.'*

**Archbishop Oscar Romero**
