Diocesan Assessment paid for previous year **21,596**

These summary accounts were recently presented to and approved by our Parish Finance Council. They have also been submitted in detail to our Diocesan Trust Finance Council. I believe it is only right that you receive this information and that our business is scrutinised. I am only too conscious of your generosity, especially in these difficult times; and how in spite of falling mass attendance our income has been maintained. It is also only right that everyone should endeavour to do their bit. Thank you for your support to the parish.
