: Sacrament. I love You above all things, and I desire to receive You into my soul.
: Since I cannot at this moment receive You sacramentally, come at least spiritually
: into my heart. I embrace You as if You were already there and unite myself wholly

PRAYER

Let St. Teresa of Avila remind us to aspire for that peace which the world cannot give or take away, with her prayer: "Let nothing disturb you; let nothing frighten you; all things pass away, God never changes; patience obtains all things; he who has God finds he lacks nothing; God alone suffices."

PRAYER TO THE HOLY SPIRIT

"Come, Holy Spirit, replace the tension within me with a holy relaxation. Replace the turbulence within me with a sacred calm. Replace the anxiety within me with a quiet confidence. Replace the fear within me with a strong faith. Replace the bitterness within me with the sweetness of grace. Replace the darkness within me with a gentle light. Replace the coldness within me with a loving warmth. Fill my emptiness. Dull the edge of my pride. Sharpen the edge of my humility. Let me see myself as You see me, that I may see You as You have promised. Amen."

A moment with the Lord:

Lord, give us that peace which the world cannot give or take away. Amen.

The Derry Diocesan Catechetical Centre, working in Partnership with Saint Mary's University, Twickenham, offers the Masters in Catholic School Leadership.

This is a post graduate degree dedicated to the professional development and spiritual formation of Catholic school leaders. It is a great opportunity for those currently in leadership roles and those who aspire to, or have an interest in, leadership roles within the Catholic School system. The next intake will be Autumn 2021.

An information session via ZOOM will be held on Monday 7th June at 3.30pm. If you are interested in attending this session or require any further information, please contact the Derry Diocesan Catechetical Centre on 004428 71264087 or email tferry@derrydiocese.org.

Invitation to respond:

The Diocese of Derry has launched a consultative plan about climate change and the environment and is inviting everyone within the Diocese to read, engage and respond to it. The plan identifies actions and behaviours that support rather than destroy the environment. The suggestions cover such areas as land, buildings, energy, food, travel and waste.

A draft of the Environmental Strategy has been posted on the Derry Diocesan website, to view and/or download: <https://www.derrydiocese.org/diocese/environmental-strategy>. Every attempt has been made to make the Strategy both comprehensive and practical so as to suit each parish's particular situation. In order to ensure that it is as helpful as possible to your various parish communities however, we would appreciate any constructive feedback on it that you may have to give. We ask if you could:

- Read the draft Strategy document and give feedback on aspects that you feel could be supplemented/improved.

- Begin to implement any aspect(s) of it that you feel can be put into practice quickly and easily.

- Draw the attention of both parish groups and individual parishioners to the Strategy and encourage them to give feedback. (This would be especially relevant to schools and any groups/individuals with particular interest in environmental issues).

We are very happy that permission has been granted to proceed with the sacraments during this term.

It is important that we do be mindful and careful to keep to the regulations . Church and Civil authorities were concerned that there should be no repeat of some of last years parties after the celebration of these sacraments..

Thanks to our Schools for their co-operation in making all this possible .

Please keep the children and their families in your prayers.
