Message from Bishop McKeown:

The decision to introduce face coverings in our churches dates back to August 2020 and was taken by Church Leaders before face coverings were made mandatory by the governments, north and south.

This week, the NI Executive decided to remove the legal requirement to wear a face covering within a place of worship. Please note that it will, however, remain a legal requirement to wear a face covering on the way into a place of worship and on the way out.

Despite this change to the legal position, I ask that, for the time being, we continue to strongly recommend and encourage the use of face coverings at all services of worship. I shall let you know if, and when, I decide to recommend a change in this practice.

Stress Control online

is a six-session cognitive-behavioural therapy class used extensively in community-settings by the NHS (UK) and HSE (Ireland) and across the world.

To take part:

Go to <https://ni.stresscontrol.org/> Everything you need to successfully complete the class can be found in the 'Free zone'. If you can, please read, and start working on, the booklets in the 'Preparing for the course' section before Session 1.

On the homepage, click 'Stress Control Online' link to access YouTube channel. The session will begin exactly on time, so make sure you are there from the start. Sessions run for about 90 minutes with a 10-minute break in the middle. Life is very hard for us just now and there are no easy solutions or magic cures, but, with hard work and determination, we can boost our resilience to cope with these difficult times and come out the other end stronger. Please pass this on to anyone who you think might benefit from the class.

SEASON OF CREATION. "A Home for All?: Restoring Our Common Home"

Pope Francis established 1 Sept as World Day of Prayer for the Care of Creation following the publication of the encyclical *Laudato si'* in 2015.

The Season of Creation or Creation Time, is marked throughout the Christian world from 1 Sept to 4 Oct (Feast of Saint Francis of Assisi), celebrating the joy of creation as well as encouraging awareness-raising initiatives to protect the natural environment.

The Diocese of Derry is encouraging parishes, schools and families to reflect on what they can do to protect the environment around us all. Throughout the season, parishes are encouraged to promote environmental, liturgical or prayer projects: Nature walks, planting seeds, collecting rubbish or recycling are examples.

For ideas, initiatives, prayers, liturgies and news articles on the theme please see the diocesan social media channels and derrydiocese.org/season-of-creation
