Starting conversations in our parishes

Pope Francis is inviting the faithful all over the world to come with him "on a journey" as a "Synodal Church". The word 'synod' means "walking together" and "indicates a way of being together as Church and 'discerning' how best to spread the Gospel amidst the challenges of life in the 21st century."

This Synodal Process entitled, **For a synodal Church: communion, participation and mission** coincides with the start of the two-year Synodal Pathway for the Catholic Church in Ireland which will lead, in time, to a National Synodal Assembly in Ireland. We pray that the next two years will be a time of prayer, listening and discernment, involving a consultative conversation. This will allow all people - both within the Church and in society at large, to share their insights into the Catholic Church in Ireland – past, present and future – so that we can prepare for a National Synodal Assembly in the coming years.

Bishop Donal explains this is the start of our Synodal Journey: "We have set ourselves in Ireland a five year period, to look together in a prayerful context where God is leading His Church" In this video, <https://youtu.be/Lhky65OFFEQ>,

Bishop Donal McKeown reminds us of the purpose of the Church and outlines the prayerful consultation process of Synodality, of walking together, of listening, of being led by the Holy Spirit to understand where the Lord is leading us.
