**Jubilee 2025—Pilgrims of Hope.**

To be **Pilgrims of Hope** we must begin with ourselves. This Jubilee year is a God-given opportunity to start anew. It is an invitation to an inner conversion through which we become people who live differently.

At the centre of this different living is love of God, others and the creation we share. **Conversion calls for a change of heart, a move away from self-concern and fear towards a hope-filled attitude where mercy and reconciliation become the lenses through which we view our world and the principles that motivate our action.** Only then can we look outward and be, in this Jubilee year, the “tangible signs of hope” that Pope Francis called us to be, recognizing God’s presence in the midst of life with all its difficulties and challenges.
